A rest is a musical symbol that marks the absence of a note. Rests are written in a measure where no note is played; and, like music notes, they are measured in length. Quarter, half, and whole rests are among the most common.* Music rests only affect the staff in which they occur; a rest in the bass staff won't affect the treble staff, and vice versa. However, a rest may be written in a staff full of notes if there are two planes of action – continue for a visual example: View the Different Rest Lengths on the Staff * Rest names may be in U.S. or U.K. English, like notes. A U.S. whole rest is also called a U.K. “semibreve rest”; a quarter rest is also a “crotchet rest,” and so on. pausa (It)silence (Fr)Pause (Ger) More Musical Symbols & Commands: How to Read Sheet Music: ● See the notes on the treble and bass staves, as well as their ledger lines, and learn mnemonic devices to help you remember them. ● Key signatures take some time to memorize.
